Enrolments: Number of students invited to participate in a course evaluation.

Respondents: Number of students who submitted an evaluation of a course.

Response rate: Number of respondents divided by enrolments, displayed as a percent.

% agreement: Percentage of responses marked 'Agree' or 'Strongly agree'. Not displayed where the number of responses is less than 5.

Note: There may be slight differences in the content of aggregate time series results, compared to previously published aggregate results. These differences are caused by late evaluations, changes over time in subject/catalogue codes, or changes in the primary organisational location of a course.
